Priority

Acknowledgment is made of applicant's claim for priority under 35 U.S.C. 119(a)-(d) based upon an application filed in Japan on May 9, 2000. A claim for priority under 35 U.S.C. 119(a)-(d) cannot be based on said application, since the United States application was filed more than twelve months thereafter.

Allowable Subject Matter

Based on the experimental evidence provided by Applicant in their Rule 1.132 declaration, it appears that the presently claimed compositions disclosed by Applicant and *Miyosawa et al.* are indeed not chemically homologous. Accordingly, the rejection is hereby withdrawn. An updated survey of the prior art did not yield a reference more germane than those already cited. Therefore, claims 1-7 are deemed allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc S. Zimmer whose telephone number is 571-272-1096. The examiner can normally be reached on Monday-Friday 8:00-4:30.
